City State Zip

This permit covers public right-of-way and /or City property only.

1. All street cuts shall be repaired within 45 days and be a minimum depth of 3" (compacted) of asphalt. Failure will result in the City contracting to have street cut repaired and permit holder liable for all expenses incurred. A cash deposit calculated at twice the estimated cost of repair shall be collected before issuance of this permit. If repair is completed in compliance with this permit, the deposit shall be refunded. If the City must make the repairs, the cost of the repair, plus administrative costs calculated at 10% of the actual repair costs, shall be deducted from the deposit. Any remaining funds will be returned to the permittee. Costs shall be estimated by the square foot. The permittee shall indicate the width and length of the proposed street cut. The City shall use a figure of \$23 (\$11.50 x 2) per square foot as the cost estimate for calendar year 2007.

Length of cut, in feet _____ X Width of cut, in feet _____ = _____ square feet of cut.

2. It is the responsibility of the permit holder to re-establish any survey monument moved., destroyed, etc. while working within City right-of-way. Reestablishment of survey monuments must be done by an approved registered surveyor and all costs will be borne by the permit holder.
3. Notification to the Port Orford Public Works Department is required 24 hours before beginning work under this permit - (541) 332-3681. Prior approval for modifications to permit specifications is required.
4. Permits may be terminated or suspended when the permit holder is found to have obtained a permit through misrepresentation of the facts or when, in the judgment of the Superintendent, terms of the permit are being violated or public safety is threatened.

5. HOLD HARMLESS CLAUSE - The permit holder agrees that their performance under this permit is at their own sole risk and that they shall indemnify Port Orford, its agents and employees and hold them harmless from any and all liability for damages, costs, losses and expenses resulting from, arising out of, or in any way connected with this permit, or from the permit holder's failure to perform fully hereunder, and the permit holder further agrees to defend Port Orford, its agents, and employees, against all suits, actions or proceedings brought by any third party against them for which the permit holder would be liable hereunder.
6. The permit holder guarantees all restoration work for a period of one year from the date of completing the installation, except non-cement/sand slurry backfills under pavements shall be warranted for two years from the date of completing the installation.
7. Any sight posts, sign posts, or mailboxes that are removed will be replaced immediately in like condition in the same location and the area around them will be restored to a like or better condition.
